

Call for Papers

AMC'06 – ISTANBUL

The 9th International Workshop on Advanced Motion Control
March 27-29, 2006

General Co-Chairs

Prof. Asif Sabanovic

Sabancı University, Turkey

asif@sabanciuniv.edu

Prof. Kouhei Ohnishi

Keio University, Japan

ohnishi@sd.keio.ac.jp

Program Co-Chairs

Prof. Kiyoshi Ohishi (Asia and Oceania)

Nagaoka University, Japan

ohishi@vos.nagaokaut.ac.jp

Prof. Vadim Utkin (America)

The Ohio State University, USA

utkin.2@osu.edu

Prof. Karel Jezernik (Europe and Africa)

University of Maribor, Slovenia

karel.jezernik@uni-mb.si

Sponsors: IEEE Industrial Electronics Society, Sabancı University
Technical Sponsors: Society of Instrument & Control Engineers - SICE,
IEE Japan Industry Application Society

AMC'06 – Istanbul is the ninth in a series of biennial workshops that brings together researchers active in the field of advanced motion control to discuss current development and future perspectives in motion control technology. The workshop will be held in Istanbul, Turkey; Hilton Hotel on March 27-29 2006.

INVITATION TO ORGANIZE SPECIAL SESSIONS

Special sessions are prestigious and endow an opportunity to the organizer to define and elevate the quality of the conference by bringing in eminent people and serious researchers to present their results that potentially impact the direction of research in that topic. The reward to the organizer and other presenters of such a session is to network closely with the top researchers in their research field, to have an opportunity to impress, to influence other researchers in this field, and to mentor young researchers.

Procedure to submit a proposal for a special session:

1. Please send a proposal to organize a special session to:

- i) General Chairs or Program Co-Chairs

2. The proposal, preferably, should contain the following:

- i) Topic
- ii) Organizer's name, complete address, phone number and email address
- iii) How many papers in that session planned for (Please limit 5 papers per session)
- iv) Who are being invited to present papers in that session
- v) Submit the names of the authors who will participate in the session and their addresses and email addresses to the conference management system (see conference web site for instructions)
- vi) Upload extended summaries to the conference management system (see conference web site for instructions)
- vii) Names of the session's chair and co-chair

Some of this may be filed at a later date when all the info is available. Please start with items (i) and (iii) and then send other info as they become available.

We are looking forward to your proposals and an opportunity to work with you for a successful AMC 2006.

For the further information and/or inquiry, please contact:
